

About ITM

ITM is a privately owned biotechnology and radiopharmaceutical group of companies dedicated to the development, production and global supply of targeted diagnostic and therapeutic radiopharmaceuticals and radioisotopes for use in cancer treatment. We are developing a proprietary portfolio and growing pipeline of targeted treatments in various stages of clinical development addressing cancers such as neuroendocrine cancers or bone metastases. Our main objectives are to significantly improve treatment outcomes and quality of life for cancer patients through a new generation of Targeted Radionuclide Therapies in Precision Oncology. The headquarters are located in the heart of the research center of the Technical University of Munich (TUM).

We would like to fill the following permanent vacancy in a hybrid working model in Garching as soon as possible

Project Manager Imaging and Dosimetry (f/m/d)

Your role

Your profile

- Support ITM's Imaging & Dosimetry (I&D) group with organizational tasks
- Analyze clinical and pre-clinical medical imaging data
- Create, edit, file clinical trial related documents and reports
- Act as interface to other ITM departments (e.g., legal, procurement, quality assurance)
- Create project plans and GANTT charts
- Monitor performance of I&D vendors
- Analyze and improve the I&D infrastructure
- Support of vendor selection, qualification, and oversight
- Cross-functional I&D project support
- Master's degree in Natural Sciences, or equivalent
- Clinical trials experience beneficial
- Experience in Nuclear Medicine therapies and imaging, ideally also with dosimetry
- Proven project management skills
- Solid MS office skills
- Outstanding communication and interpersonal skills
- Fluent in English, German language skills of advantage

Our offer

- Exciting challenges in an up-and-coming and fast-growing company with a high degree of creative freedom
- An open working atmosphere in an international corporate culture with short communication channels
- Comprehensive onboarding programme
- Flexible working hours with home office options
- Attractive special payments
- Just a good salary? Not with us! We also offer you
 - Employee participation programme
 - Job bike or subsidised job ticket
 - Above-average contribution to the company pension scheme
 - Individually tailored further training programme (including German and English courses)

- Health promotion programmes (e.g. subsidy for local fitness studio, sponsorship of sporting events, various lifestyle coaching sessions)

Do you have these qualifications, are you willing to develop yourself further and are you looking forward to becoming a key part of our future? Great! We should get to know each other!

When you apply, please let us know your earliest possible starting date and your salary expectations. You can submit your CV in German and English in docx or pdf format.
